25th September 2020

Dear Parents and Carers,

We have settled into a super routine here at school now and the children are benefitting so much from being back with us once again. The school feels alive and happy as it should be and we are getting used to our staggered lunchtimes and assemblies on Teams!

Normally, at this time of year, we would invite all parents into school to meet their child's class teacher and become familiar with their new classroom/new routines. Obviously, this is not possible currently but we are still very keen to share this important information with you and ensure that you feel part of our special school community and have a chance to meet your child's new teacher (even if it is virtually!)

The teachers in each year group have produced short videos, explaining the classroom routines and what the children in their year group will be learning about this term. They have also included some examples of the children's work so far. We will share these videos with you all on Tapestry (for EYFS) and Seesaw (for Years 1-6) today and we hope that you find them interesting and informative. If you are yet to get logged into Seesaw and need any more help, please contact Mr Larkham: larkham.t@colehamprimary.co.uk

We are also currently considering how to run Parents' Evening later this term. We very much want to invite you all into school to talk face-to-face with your child's class teacher, however, if this is possible, it will take careful planning to ensure that everyone's safety is maintained. We will come back to you about this once we have firm plans in place.

In the meantime, if you have any concerns at all or would like to discuss anything with us, please do catch your child's teacher at home time or call/email the school and your child's teacher will get back to you.

Yours sincerely,

Ms C Jones
Headteacher
