27th November 2020

Dear Parent/Carers,

Friends of Coleham – ‘Elfridges’

We normally run ‘Elfridges’ at our Christmas Fair and the children love going into the Secret Shopping Room to purchase a Christmas gift for a member of their family or loved one.

This year we have decided to run ‘Elfridges’ as a special activity for everybody in school! The Coach House will be decorated and transformed into the Elves Grotto where children can safely shop for Christmas Gifts. Every class will visit with their teachers during the last week of school. There will be a selection of gifts for ladies, men, boys, girls and pets.

We know that this Christmas will be different this year and so hope this gives children an opportunity for some Christmas shopping and visiting a Grotto. It will also teach the children the value of *giving* gifts rather than *receiving* them - and hopefully raise lots of money for school.

Please see the video produced by some little elves!

<https://youtu.be/msTJphqew70>

Gifts will cost £2.50 each and can be purchased on Parent Pay via your child’s account. You may purchase 1 or more gifts if you wish and the class teacher will have a list of numbers.

It is important to us that *every child* in school is included in this experience. We ask that if you are able to purchase a gift then please support our school fundraising but if not, please don’t worry we will ensure every child takes a gift home.

We would like to thank Morrison’s for helping support this event. Fundraising means that we can help school purchase more I-Pads and equipment. We also have some extra treats in store for the children. We have purchased an online Pantomime for the children to watch and arranged a special surprise for the children. We really couldn’t do this without your support, so thank you!

We are really looking forward to this event and will share photos with you in due course.

Kind Regards,

Friends of Coleham
