12<sup>th</sup> March 2021

Dear Parents/Carers,

We have reached the end of the first full week back and what a lovely week it has been. I have really enjoyed seeing all of the children and many of you at drop offs and pick-ups. Thank you for sticking to our dropping off/picking up systems to ensure that the school site is as safe as possible at all times.

## **Pupil Wellbeing**

As you know, we are going to be asking all children to take part in a wellbeing survey over the coming days. We will be asking the children some simple questions about how they found lockdown and providing support to any children who raise concerns. Equally, if you have any concerns about your child following their return to school, do let us know so that we can support them.

## **Diversity Day**

Next week, we are looking forward to our Diversity Day and the main message for the day is: Diversity is the one true thing we ALL have in common, so let's share our similarities and our differences. We will all be focusing on the book: Last Stop on Market Street by Matt de le Pena and Christian Robinson and will let you know more next week about what the children have been working on. Thank you to Mrs Field for organising the day.

## **Comic Relief**

We are looking forward to celebrating Comic Relief next Friday. This will be a **non-uniform day**. Please can we ask the children to wear something red to school but please do not send them in with red noses this year. We are keen to avoid any germs being spread by red noses being passed around and shared inadvertently. At lunch time, the Catering Team will be joining in the fun and hiding red nose tickets under dinner plates, for children to win red nose merchandise. Thank you for helping with our recent fundraising for Children's Mental Health Week. There is no pressure from us to also contribute to Comic Relief but if you would like to donate a small amount to this worthy cause and for non-uniform day then please do so via Parentpay.

## **Parent Consultations**

Please remember that if you have not had a telephone consultation with your child's class teacher, it is not too late! Please contact the school office to arrange your consultation so that you can find out how your child is doing with their learning.

So, despite the fact that we are all still operating in class bubbles, we are working hard to ensure that whole school events still occur so that we do not lose the sense of community that makes our school so special. Mr Larkham is also in the process of organising some more house events for children to take part in.

I hope that you all have a lovely weekend and will look forward to seeing everyone on Monday morning.

Yours sincerely,

*Claire Jones*
