Dear Parents/Carers,

At Coleham School we recognise the importance of Positive Relationships with parents, and strive to work together with parents to support the best interests of their child.

We recognise that this has been challenging this year due to COVID-19 restrictions, and are therefore keen to explore how effective you feel our parental engagement is here at Coleham School in Reception.

In order to gain your views on this we are asking if you could spare a few minutes to complete a short questionnaire. Please click the link below to access this.
