1st April 2021

Dear Parents/Carers,

After a very rocky start to the Spring term, we have now reached the end of the term and things are beginning to feel more positive for us all. It has been so wonderful to see the school full of children for the last 4 weeks and we are all really looking forward to a more normal Summer term (fingers crossed!)

There is plenty to look forward to and we plan to run as many events as we possibly can, in line with the guidance, of course. Whilst it is unlikely that we will be able to invite you all in for things like Sports Day and our transition evening, as we would normally, we aim to run these events and will involve you but in a slightly different way. We are also really hoping to take each class out of school on a school trip during the summer term. We will let you know more details after Easter.

We have also planned in some exciting curriculum days and will begin with our Eco Earth Day organised by Mrs Howson. We have also planned in a History and D & T day for the children to enjoy and we hope to share some of their work with you on Seesaw.

The School Council plan to be more active next term too and will become involved in developing new names for all of our classes. The Eco Council will continue their work in school and we are also planning to resume house competitions now that the weather has improved.

COVID procedures during the holiday

If your child develops COVID symptoms within the next 48 hours and goes on to test positive for COVID-19, please email me and Mr Larkham as soon as possible (head@colehamprimary.co.uk and larkham.t@colehamprimary.co.uk). I am very much hoping that you won't need this information but it is prudent to be cautious just in case.

All that remains is for me to thank you all very much for your unswerving support this term. The numerous positive emails that we have received have meant a great deal to us, providing a much needed boost for us all. I feel incredibly lucky to be part of such a wonderful community, who have come together during an exceptionally challenging time.

Every member of our school community deserves a good break and I hope that you all have a lovely Easter and enjoy spending time with family and friends. Let's hope the sun shines!

Yours sincerely,

Ms C Jones
